**University of Maryland,
College Park**

**Best Venue for Youth/Sports Groups
Best High-Tech Venue**

We've Been Nominated! ...and here's why:

Nomination #1: Best Venue for Youth/Sports Groups

Youth-friendly is one of the many ways to describe the University of Maryland, College Park. With more than 8,000 beds on campus, plus two dining halls and dozens of places to meet, learn and play, planners of youth and sports groups can rest easy bringing their young clients to this sprawling 1,800 acre suburban venue featuring 1,200 acres of park-like grounds on a campus just 9 miles from the nation's capital. Each summer, sports camps that are run by our Big Ten Conference coaches combine with college immersion, special studies, and STEAM programs to stimulate young minds. Our Ropes Challenge Course, Rock Climbing Wall, homemade ice cream, and TerpZone facility are must-do add-ons for any youth program. The University of Maryland, College Park can also provide in-house motor coach charters that make ground transportation to nearby Annapolis, Baltimore, and Washington, D.C. a breeze. Served by three international airports, our campus is an easy-to-reach venue that will be especially easy on travel budgets.

Nomination #2: Best High-Tech Venue

The brand-new Edward St. John Learning and Teaching Center on the campus of the University of Maryland, College Park is at the forefront of active-engagement. It's 186,000 square feet hold twelve collaboration spaces, seating from 42 to 334 attendees, offering a range of sizes and layouts. Most rooms feature a Crestron touch-panel at the lectern, allowing presenters to send up to two inputs to the room's various screens. Options include the in-house PC, presenter's personal device, document camera, Blu-Ray player, even cable television. Seamlessly video-conference using the built-in cameras, ceiling and in-table microphones, as well as the wireless handheld and lavalier. Attendees can also wirelessly project content from their personal devices using the integrated Mersive Solstice system. Most rooms sport two to four Epson Pro 12,000 Lumen Laser projectors, and/or 82" LED monitors. The "Tiered-Collaborative" lecture halls feature speaker confidence monitors, while the "6Round" spaces provide round tables for group discussion, with screens on multiple walls for ease of viewing. Seven "Huddle Rooms" provide space and technology for intimate meetings, video-conferencing, or speaker preparation. Situated in the heart of campus, the brand-new Edward St. John Learning and Teaching Center offers user-friendly technology, convenience, and an inspiring atmosphere for any event.
